ARTICLE TYPE: Review paper

ABSTRACT

Currently, the role of universities is achieving more attention to entrepreneurial development worldwide. The government of Ethiopia is also considering it as an important part of its strategy to increase youth employability in the country. Universities are considered as a significant role player in creating good human resources as economy demands. This Paper is focused on the role of higher educational institutions like Universities in entrepreneurial development in Ethiopia.

KEYWORDS: Universities, Higher Educational Institutions, Economic Development, Entrepreneurship, Ethiopia.
