### ABSTRACT

Since the time of the liberalisation Real estate sector is considered as the hotspot for the investment in Asian Pacific Markets. These markets also play the important role in world capital markets for investment and risk management. The cities like Bangalore, Mumbai, Ho Chi Mint City, Shenzhen, Shanghai, Jakarta, Bangkok are considered best for the investment in Real Estate Sector development. On the other hand, cities like Seoul, Hong Kong, Kuala Lumpur and Taipei have less scope for the real estate sector development in India.
